Many Happy Returns
As the future speeds away
May it hold for you,
Every hour of every day,
Something fair and new.

CARTE POSTALE

**The Blue Tit** (*Parus caeruleus*) is the commonest variety of the Tit family found in Great Britain. The birds measure about 4½ inches in length; their nest is loosely constructed of moss, grass, wool and feathers, containing from five to twelve eggs of a greyish colour, freckled with light brown.
